### Speakers

- Prof. Dr. **Marianne Strydom**, Chair of the Department of Social Work at the University of Stellenbosch, South Africa. Her teaching mobility is funded through the Erasmus+ International Credit Mobility (ICM) project.
- Prof. **Alessandro Sicora**, Dipartimento di Sociologia e Ricerca Sociale, Università di Trento

Through images and narratives, the seminar will explore the relationship between social issues and needs, and the forms of support developed for the most vulnerable populations in Italy and three very different countries like India, China and with a special focus on South Africa. The content presented is a public-oriented outcome of two IRSES Marie Curie research projects funded by the European Union.
