Before and after October 7: Changes in Italian Undergraduates Attitudes towards Jews and Muslims

Thursday 29th January 2025

14.30PM - 16.30 PM

Poggi room - 1st floor

Speaker

Asher D. Colombo, University of Bologna

Following October 7, 2023, the almost immediate spread of news and images of the attack produced heavy emotional reactions in public opinion in many countries. This work analyzes data from a representative survey on the attitudes toward Jews and Muslims of Italian undergraduates conducted between late September and late October 2023, encompassing both those dramatic events and the war that followed.
