PhD Program in Space Science and Technology - SST

How to communicate your participation in Space exploration?

Space Communication Lab: how to describe your research

Specific Seminar – Curriculum 7

2024, June 10, 9:30 a.m.

Speaker:

Prof. David Burigana, Department of Political Science, Law and International Studies (SPGI) - University of Padua

Abstract:

On Monday 10 June, students will have the opportunity from 9.30 to 12.30 to propose the stories they wish to present starting from their research projects in the form that they can develop in collaboration with each other, from simple sketches created with downloadable software to video trailers. The framework to follow is the one proposed in the introductory lesson on the elements of composing a story. Anyone who wishes can request the slides already projected from the teacher. It is advisable to be present.

Online attendance:
