PhD Program in Space Science and Technology Final Exams

Temporal Analysis of High-Energy Transient Sources - An Adaptive Binning Approach in Time-Domain Astronomy

PhD Student: Wladimiro Leone

13 February 2026, 10:00 a.m.

University of Palermo – Room B

PhD Supervisor

Prof. Tiziana Di Salvo (University of Palermo)

PhD Co-supervisors

Prof. Giovanni Marsella (University of Palermo) and Prof. Luciano Burderi (University of Cagliari)

Final exam Committee

Prof. Andrea Santangelo (Institut für Astronomie und Astrophysik - IAAT, Eberhard Karls Universität Tübingen)

Prof. Marco Miceli (Department of Physics and Chemistry “E. Segrè”, University of Palermo)

Dr. Alessandro Papitto (National Institute for Astrophysics – INAF, Astronomic Observatory of Rome)
