EXTERNAL
SEMINAR

**MONDAY,
07 SEPTEMBER
2026**

FROM **11 AM**
ROOM **A205**
POVO 1

David Boisvert

CMC AND BIOTECH STRATEGY CONSULTANT

BIOTECH DRUG DEVELOPMENT FOR THE 21ST CENTURY

I will provide an overview of biotechnology development from financing and molecule discovery through to process development, IND filing, clinical trials, and eventual commercialization. In addition, I will highlight outsourcing activities and how AI can improve the efficiency of biotech development.
