UNIVERSITÀ DI TRENTO

DISCIPLINARY PEER TUTORING

MATHEMATICS AND PHYSICS AREAS

UNIVERSITÀ DI TRENTO

WHY?

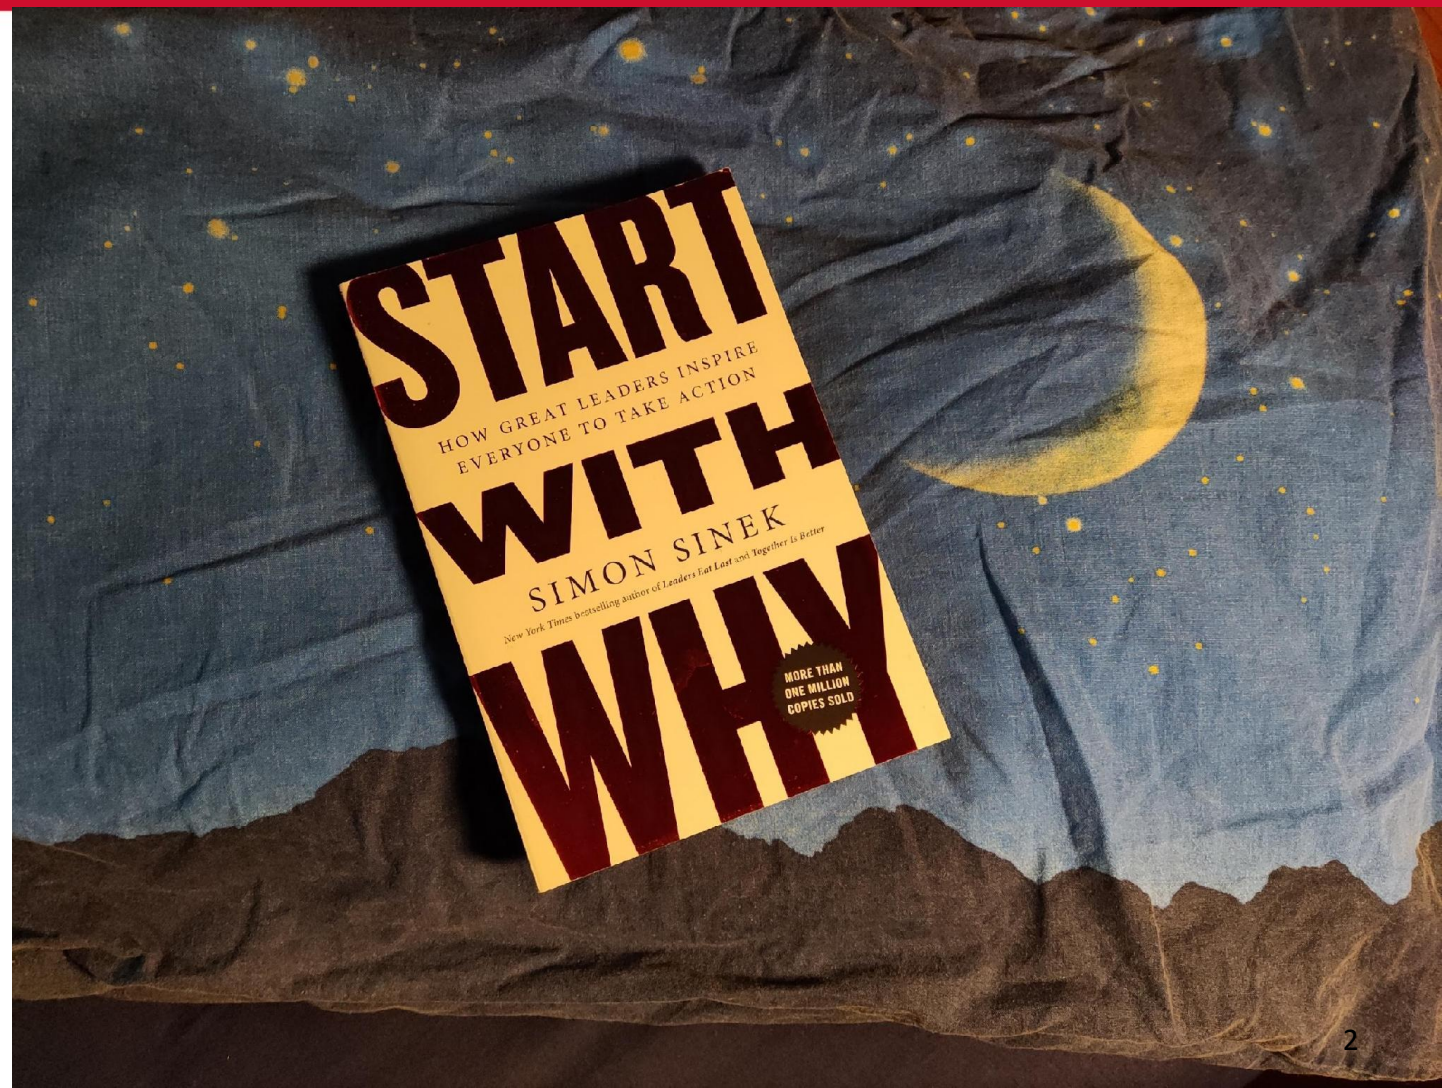

«How do I keep up with my lessons?”

«Who can I ask the 'stupid' questions to?!"

«Have I made the right choice?"

«I understand nothing, but the others all seem so confident!”

«Where do I find a place to study?"

UNIVERSITÀ DI TRENTO

WHAT

Disciplinary tutoring for:

- ✔ **Calculus 1**
- ✔ **Geometry and Linear Algebra 1**
- ✔ **Physics 1**

Disciplinary tutoring = Peer tutoring

Tutor = master's degree students or doctoral students = senior students

UNIVERSITÀ DI TRENTO

HOW

Dedicated classroom where

- **solve your own exercises in small groups**
- **possibly supported by a team of tutors who move around the desks**

UNIVERSITÀ DI TRENTO

WHERE & WHEN

- ✔ **Dedicated classroom**
- ✔ **2 hours per week for each course**
- ✔ **Online timetables such as lessons**
- ✔ **Starting from the second week of lessons**

UNIVERSITÀ DI TRENTO

BECAUSE

«How do I keep up with my lessons?”

«Who can I ask the 'stupid' questions to?!"

Weekly meetings to carry out the exercise sheets

To slightly older students who will NEVER judge you

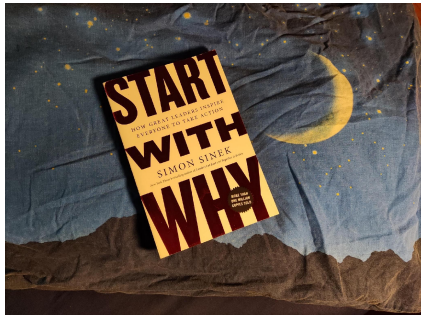

«Have I made the right choice?"

«I understand nothing, but the others all seem so confident!”

It is the same question that tutors asked themselves a few years ago

Sitting together doing the exercises they no longer all seem so confident

«Where do I find a place to study?"

Two, four or six hours of tutoring per week
